DIRECTORS MEET

Last Friday a week the Board of Directors of the College came together for their annual spring meeting. A number of resolutions of varying importance were passed.

Arrangements of an extensive nature are being made for the coming of the girls next year. The Board authorized President Tyler to visit co-educational institutions in order to gain any knowledge that will make co-education a success here. In addition to this he was authorized to recommend a Dean for the women. The Board provided for an assistant in modern languages and a professor of agriculture, who are to be recommended by President Tyler.

Various other matters of importance were attended to, such as the appointment of a committee to arrange and provide for the Boarding Department next year. However, no permanent committee was appointed and the election of a Rector of the Board was postponed. These and a few other important matters were held over to the June meeting.

TENNIS TOURNAMENT

The preliminaries which are to choose three candidates to represent William and Mary this year in the E. V. A. A. tennis tournament will be held sometime during this week according to an official statement made by Manager Derieux some days ago. Everybody come out and make this a championship year in tennis. Don't forget our excellent showing in the last meet when our representatives were runners up in the finals.

Barber. "Did I ever shave you before?" "Duc." Pope. "Yes, a few weeks ago." Barber. "I don't remember your face." "Duc." Pope. "No, it's all healed up now."

INDIANS DEFEAT JACKETS TWICE---LOSE TO TIGERS AT HAMPDEN-SIDNEY

Local Club Loses Questionable Game to Hampden-Sidney---Randolph-Macon Easy Victim in Second Home Championship Affair, Score 9-1---Settle Pitches Great Ball---Penniman Loses to Indians

The game scheduled with Randolph-Macon at Ashland Saturday was postponed to Monday, due to the inclemency of the weather, and brought sorrow to the Jackets and joy to our Indian braves. The Ashland boys with all their mighty efforts and loyal rooters could not get the lead on the visitors and the ultimate result was W. & M. 3, R.-M. 1.

Capt. Love brought in all of the runs for the Indians. In the third inning he got on first by an error of the third baseman. He then pilfered second and third, and was brought home by the bunt of Parrish. The game then dragged on until the seventh inning, being mostly a pitchers duel, until Love singled and stole second and third. Settle came to bat and brought him in on a single. In the next inning he beat out a strike-out to first and stole second. Again Settle came to bat and looked a few balls over. Then he picked out a good one for a two base hit and Love came home. In the second inning Nickel scored for Randolph-Macon but after then they were unable to send a man around due to their inability to hit Settle's pitching. Davis with his swift straight ball put up a good fight, but his team could not the lead against Settle's "dark balls" and excellent support of the entire team.

Score by innings—
—1 2 3 4 5 6 7 8 9
W. & M.—0 0 1 0 0 0 1 1 0-3
R.-M.—0 1 0 0 0 0 0 0 0-1

Summary: 2 base hits—Settle. Earned runs—W. & M. 2; R. M. 1. Hit by pitcher, Davis, 1. Strike outs, Settle 7; Davis, 10. Stolen bases, Love 5, W. W. Johnson, 2, Riddick 1, Parrish 1.

HAMPDEN-SIDNEY WINS

In an exciting and hard fought contest the William and Mary baseball team was forced to take the count at the hands of the Tigers on the later diamond on Saturday evening. Questionable decisions throughout the game by umpire against both teams went to mar the contest, which was clean otherwise. A decision that seemed to cost the local team the game was made when with two out in the ninth a base-runner was called safe at home. The game had looked good for an extra inning up until this point. The Tigers scored their first run on the bone head work of the locals in the third inning. One lean hitting in the fifth, the Indians tied the score which was increased one run in their half of the eighth, only to be tied by the Tigers in their half. In the eventful ninth Morton doubled and on Parrish's hit to left the runner went over the rubber with the winning run and two out.

Score by innings:
W. & M. —000 010 010 —2
H.-S. — 001 000 011 —3
Batteries: Settle and James, Johnson, (W. & M.) Scott and Aylor (H.-S.)

Summary: Strike-outs, Settle 11, Scott 7; Base on balls, Scott 3. Stolen Bases (W & M) 3, (H. S.) 9; Earned runs W. & M. 1, H.-S. 2.

DEFEATS RANDOLPH-MACON

Last Saturday evening the Indians defeated Randolph-Macon on the home diamond by the score of 9 to 1. Chalking up three in the first stanza, the Indians seemed to show the form of a real championship ball club. Settle pitched air-

COLLEGE LOCALS

The "Echo" photographer was down last week to take the baseball team's picture. This is the last assignment of pictures for the "Echo."

Rev Mr. Holloway, the Methodist minister conducted the Chapel services last Monday morning.

"Mike" Love and "Rat" Parrish stopped off at Blackstone on the trip to Hampden-Sidney.

About half of the student body went to Penniman with the team last Wednesday evening.

We have had an increase of visitors on the Campus for the past two weeks.

Last Monday the boys of Tyler Dom. organized a Baseball Team with H. T. Smith, captain; J. R. Byrd, Manager; J. T. Graham, scorer; W. F. Ferguson, cheer leader. The team has won two games from Taliferro Dorm.

Our "Springfields" are here and add materially to the company's appearance.

It is hoped that the students will take more interest in the drilling, but some seem to think they are conferring a favor on the Major by drilling.

We are glad to hear that Raymond Sission, who was recently drafted, has been made a corporal.

"Duc" Lyons went to Ashland with the team last Saturday.

COLONIAL INN DANCE

Last Saturday night there was an enjoyable dance given at the Inn in honor of the visiting Randolph Macon team. "Gippy" Smith again favored us with his presence and everyone knows music those boys that make up his orchestra can give. Quite a number of out of town ladies were present at the dance.

"Charlie." Now, by the way, some of the boys are complaining that the coffee tastes like mud." The cook. "That's all right, tell them it was ground this morning."

URGED TO STAY IN COLLEGE

Perhaps it is sometimes just a little discouraging to look around our campus and see what a bare handful of students are left in college. But while it is bad, and to some extent disquieting, yet it is to be expected, owing to the condition of affairs in our country today. And then too, we are not all of our American colleges and Universities are undergoing the same strain. Classroom and dormitories throughout our country are being emptied day by day, and the youth of the country are going into some occupation other than college work. Many of these are being inducted into service, but alas!, too many of them are going for other purposes.

Let us consider the discretion of such a move by our young men. Will there not come a time when they will regret such an act? Are they not taking a rash, irrevocable course at a most inopportune time?

There will come a time when they can easily see the folly of their leaving college and this time will come when our country assumes its normal condition after the war is concluded. High wages will drop from their present figure and then it will be that the man, who has deserted college, will be awakened to the fact that he has lost a few years of his life, which he can never hope to regain. His interest in college life will be gone, or perhaps his age will be such as to make it unwise for him to reenter college. Again, are college men not acting without due thought and at a bad time for such

an act? We are compelled to admit that the high prices prevailing today are very attractive to most of us, especially those who were not raised in luxury, but gentlemen, are there not attractive bargains in our college walls also? Are we not getting value received each day that we do our duty here? Are we, like the character of "The Acres of Diamonds," to sell our own possession for a trifling sum; fail to investigate and profit by what we have, and seek riches in a foreign field, only to find out all too late that we had been for years the possessor of a jewel mine in our own front yard?

Of course we readily admit that there are some instances in which such an act is highly justifiable. Some of our students are compelled to go home, especially those who reside in rural districts. But as for those who go out merely to secure a little money in order that they may sport the more conspicuously, if there is any patriotism there it is covered so deep with less worthy ideals that it fails to be seen by a more patriotic person.

So it is to be hoped that those who are now in college will weigh well the consequences before they decide to leave and go into any kind of business. This thing cannot be considered with too much seriousness, for after careful consideration, a wise conclusion is more often reached.

Gentlemen, let us try and keep our student-body together and our institution alive in spite of the many alluring attractions that beset us on every side.

BATTING AVERAGE

The Indians continue to show remarkable weakness at the bat. More hard work in this department will win games. This and THIS ONLY will turn that old CHAMPIONSHIP to Cary Field once more. Brooks continues to lead, but shows a falling off of some seventy points. This has been the characteristic of the whole team for the last four games. Don't be discouraged—a little consistent practice with the bat will turn the trick. Those batting as much as 200 or more are as follows:

	AB	H	Pctg
Brooks	19	5	263
Tally	8	2	250
Garrett	31	7	225
Johnson, W.	27	6	222

INDIANS DEFEAT PENNIMAN

The Indians with several substitutes in the lineup met and defeated the Penniman baseball club by the close score of 5-4 on the latter's diamond last Wednesday week. The locals made most of their runs during the early stages of the game and seemed to let up in the closing innings allowing the home team to send several runs across. The game was called in order to allow the Indians to catch the train.
